ISTRUZIONI DI MONTAGGIO / *INSTALLATION INSTRUCTIONS*

cod.**INC1280**
cod.**INC1281**

ILLUMINAZIONE DI INTERNI / *INDOOR LIGHTING - Kit per installazione a soffitto semincasso / Ceiling semirecessed Kit*

L'apparecchio d'illuminazione è sicuro solo se installato da personale addestrato, utilizzato rispettandone la destinazione d'uso e osservando le norme di manutenzione. La sostituzione di parti deve essere fatta da personale qualificato, rispettando le norme vigenti e utilizzando materiali di uguali caratteristiche elettriche, termiche e meccaniche. In caso di difetto o di dubbio rivolgersi al rivenditore. Sostituire immediatamente vetri e lampade difettose. Conservare l'istruzione per la manutenzione. Il simbolo CE significa che l'apparecchio è conforme alle Direttive 2006/95/CE e 2004/108/CE e 2011/65/EU RoHS 2.
A fine vita è "Rifiuto di Apparecchio Elettrico e Elettronico" (RAEE). Riciclare è rispettare l'ambiente e la legge (DIR96/02/CEE): informarsi e riciclare in punti di raccolta differenziata previsti dalla legge (in Italia l'abuso è punibile, art 50 e segg D.Lgs. 22/1997).
(Art. 33.1 del Regolamento 1907/2006 sulla limitazione sostanze chimiche REACH).
Conservare le istruzioni.

RoHS COMPLIANT

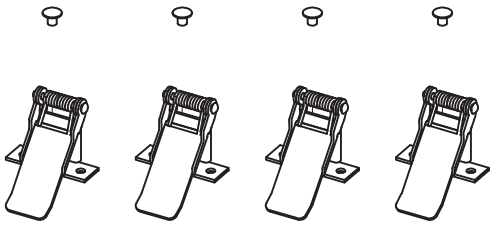

REACH

CE

The luminaire is safe only if it is installed by trained personnel and used in compliance with the intended use and maintenance standards. Replacement of parts must be done by qualified personnel in compliance with applicable standards and by using materials of equal electrical, thermal and mechanical characteristics. Contact the dealer in case of defects or doubts. Immediately replace defective glasses and lamps. Preserve maintenance instructions. The CE mark means that the device complies with European Directives 2006/95, 2004/108 and 2011/65/EU RoHS 2.
At the end of its useful life, it becomes an "Electrical and Electronic Device Waste" (RAEE). Recycle in order to respect the environment and law (European Directive 96/02): get inform and recycle waste in the collection points provided by law (in Italy, misuse is punishable pursuant to article 50 et seq. of Legislative Decree 22/1997).
(Art. 33.1 of Regulation 1907/2006 on the limitation of chemical substances REACH).
Preserve the instructions.

Cod. INC1280
KIT PER INSTALLAZIONE A SOFFITTO SEMINCASSO DEI LED PANNEL: 30x30, 30x60 E 60x60 (LED PANEL NON INCLUSO)
KIT FOR CEILING INSTALLATION SEMIRECESSED OF THE LED PANELS: 30x30, 30x60 AND 60x60 (LED PANEL NOT INCLUDED)

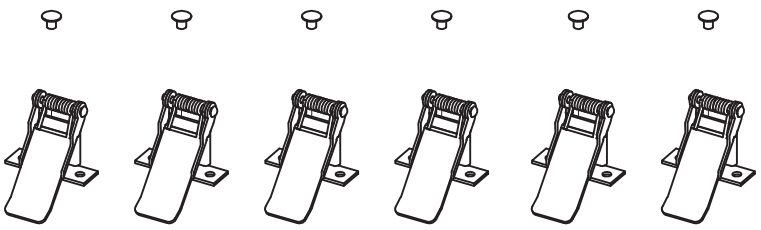

4PCS VITI
4PCS SCREWS

4PCS MOLLE
4PCS SPRINGS

Cod. INC1281
KIT PER INSTALLAZIONE A SOFFITTO SEMINCASSO DEI LED PANNEL: 30x120 E 60x120 (LED PANEL NON INCLUSO)
KIT FOR CEILING INSTALLATION SEMIRECESSED OF THE LED PANELS: 30x120 AND 60x120 (LED PANEL NON INCLUSO)

4PCS VITI
4PCS SCREWS

4PCS MOLLE
4PCS SPRINGS
