## Limitless possibilities

for an extraordinary experience

Add a LightStrip Plus to your Philips Hue system and create an immersive experience under bars or cabinets and behind entertainment systems. Lightstrip Plus gives you the flexibility to bend, cut and extend for the usage of your choice.

### Limitless possibilities

- Create your ambiance with warm white to cool daylight
- Relax, read, concentrate and energize with light recipes
- Light up your gaming

# Highlights

## Create your ambiance

Set the right ambiance for any moment and decorate your home with warm to cool white light. Enjoy different styles throughout the year, no matter if it's the crisp white light reminding you of a spring breeze, the warm white light of a summer sun, or the ice cool daylight of winter.

## Light for your daily routines

Light influences our mood and behavior. Philips Hue can help you to customize your daily routines into moments you can enjoy.

Skip your morning coffee and get ready for the day with cool, bright white daylight that helps to energize your body and mind. Stay focussed with finely tuned bright white light. Or put your feet up and relax with a soft glow of white light for the perfect end of the day.

## Light up your gaming

Lift your gaming experience to the next level. Download the third party apps and discover the amazing things you can do with Philips Hue.
