Highlights

Create a stylish atmosphere

This light is designed around the latest tastes, trends and lifestyles to blend effortlessly into your décor and define the localised ambiance you have always desired.

Perfect to relax and socialise

The living room is the heart of any home - a place where families gather to relax and guests socialise. Lighting for your living- and bedroom has to be flexible and easy to adjust to its different uses throughout the day. Careful placement of different light sources and playing with light layering helps create the feeling of space and to give the room a warm and welcoming feel.

Beautiful light effects

The design of this lamp creates beautiful light effects to enhance the atmosphere of your living space in the evening. The intriguing interplay of light and shadow will transform the room when switched on.

Easy to assemble

The compact, modular elements slot together in minutes, and are easy to transport, carry and install.

High quality materials

This lamp is sculpted from layered patterns of high quality materials with superior finishing. This ensures a solid and long lasting product which will enhance your home for many years to come.
