- Full control from smart device with Hue bridge

# Highlights

## Decorate with smart lights

Transform the atmosphere of your home with just the touch of a button. Use over 16 million colors and 50,000 shades of cool to warm white light to create special moments, set the mood for a party, or simply wind down for the evening.

## Create your ambience

Set the right ambience for any moment and decorate your home with warm to cool white light. Enjoy different styles throughout the year, no matter if it's the crisp white light reminding you of a spring breeze, the warm white light of a summer sun, or the ice cool daylight of winter. Connection with the Philips Hue bridge required for this functionality.

## Connect 3 Hue Play light bars

Hue Play won't add to a jumble of wires behind your TV or hog too many outlets — you can connect three Hue Play smart light bars to the same power supply unit, leaving you more than enough room for all your other devices.

## Control it your way

Connect your Philips Hue lights with the bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add switches to your system to activate your lights. Set timers, notifications, alarms and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple Homekit and Google Home to allow you to control your lights with your voice.

## Display Hue Play your way

The Philips Hue Play light bar can be mounted to a wall or TV, laid flat on any surface, or stood upright. A versatile smart light, it makes the perfect accent piece for any living room, entertainment space, or media room.

## Mount behind your TV

Mount the Philips Hue Play smart light bar behind your screen using the included clips and double-sided tape to instantly create beautiful backlighting in the color of your choice.

## Amp your entertainment

Immerse yourself in your movie, game, or music with the magic of light. With millions of colors from which to choose and countless lighting options, you can turn any living room into a private cinema — all you need to bring is the popcorn!

## Full control with Hue bridge

Connect your Philips Hue lights with the bridge to unlock the endless possibilities of the system.
